ABOUT ICC

WE ARE YOUR SUPPORTER

ICC REGARS ITS BUSINESS AS A GAME

- Computer technology is developing rapidly day by day with the upgrades in processors, components and hardware.

- As a company in this sector, ICC knows it should follow all the developments to catch up with the change and not lose.

- Therefore, ICC regards its business as a game, stays upgraded and works hard to become a winner!

- Also, ICC supports its partners in this game as well.

ABOUT ICC

WHAT DO WE DO?

WE AIM TO BE ‘CENTER OF INDUSTRIAL COMPUTER’

- As ICC, our mission is ;
  to explain the concept of "industrial computer" which is not defined in the market accurately
  to offer products that comply with the definition of "industrial computer”

- With our engineering experience, we identify and supply products that meet the customers' needs.

- With the products we supply, we support our customers in industries such as **automotive, iron-steel, machinery manufacturing, food, packaging, textile, tire-rubber, energy, and industrial automation.**

PRODUCT RANGE

THE BEST SELLER

INDUSTRIAL PANEL PC

Industrial Panel PC is part of visualization in the harsh environment of production plants.

All IPC4 and ECOIPC4 Panel PC products offer;

- 10 fingers PCAP multitouch display
- 1920x1080 Full HD resolution
- Double Ethernet port
- Wi-Fi
- Large configuration alternatives from Intel® Celeron®, Intel ® Core™ i5 ve Intel ® Core™ i7 processors

PRODUCT RANGE

THE LARGEST PRODUCT FAMILY

INDUSTRIAL BOX PC

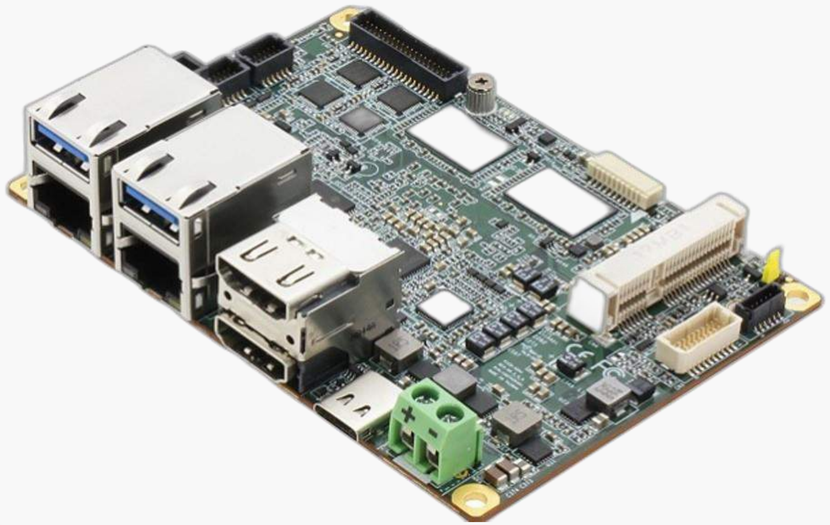
Industrial Box PC is part of management in the harsh environment of production plants

All AAEON, IPC4, ECOIPC4 BOX PC products offer;

- Double Ethernet port
- Wi-Fi
- Expandable alternatives with PCI, PCIe slots
- Large configuration alternatives from Intel® Celeron®, Intel ® Core™ i5 ve Intel ® Core™ i7 processors

PRODUCT RANGE

THE LARGEST PRODUCT FAMILY



INDUSTRIAL MAINBOARDS – [SBC] SINGLE BOARD COMPUTERS

SBC is the heart of Industrial Box pc and Panel PC products. Also, it is used alone by OEM
manufacturers.

AAEON Single Board Computers offer large alternatives for;

- Form size (dimensions)
- Processors
- I/O Variety

PRODUCT RANGE

THE LARGEST PRODUCT FAMILY

INDUSTRIAL KEYBOARDS – KIOSKS – OS LICENCES

KEYBOARDs are required with industrial computers to use with more functionality.

KIOSKs are needed to protect industrial computers in harsh environments.We have ready-to-sale kiosks designed in more than 60 different models.Besides, we can customize new designs according to our customers' needs.

OS LICENCE has to be used to work in legal environment. Therefore, ICC provides Microsoft® Windows® licenses with industrial computers.

Our Strengths

ICC
Industrial Control Computer Communication Center

WAREHOUSE

OUR WAREHOUSE IS FULL OF INDUSTRIAL PCs

WE GENERALLY SAY ’ ’ YES, IT IS AVAILABLE”

- **STOCK** is the power of ICC.
- We always keep a large stock to fulfill the needs of our customers as soon as possible.
- While most competitors offer from 4 weeks to 20 weeks delivery schedule related to chip crises, ICC ICC always provides 200~400 pcs of several configurations of stock
- Also, we have ready-to-ship products at manufacturing warehouse which are able to deliver to customers 2 weeks.

SALES TEAM

ALWAYS IN CONTACT WITH THE CUSTOMERS

OUR CUSTOMERS CAN ALWAYS REACH US

TRUST is the keyword of ICC philosophy.

Each sales engineer achieves over 3,5 customer visit per day;

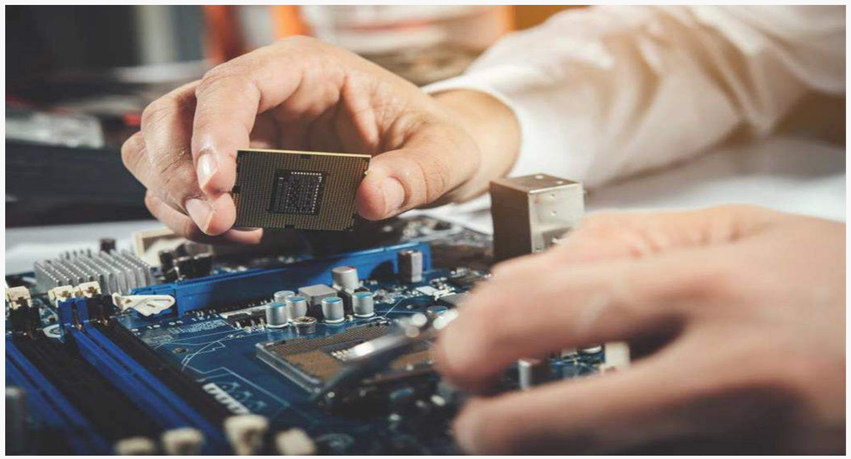
-To select the product complies with customer’s requirement together

-To provide customised solution

-To help them on technical issues

SALES SUPPORT TEAM

PROBLEM SOLVERS AT THE OFFICE



GAME IS SUPPORTED BY OUR TEAM PLAYERS AT THE OFFICE

AIM is customer satisfaction!

After sales team touched customer, if customer is not happy with support, we cannot say that ”we are successfull”

We reach customer satisfaction by providing them ;

-Experts at technical team

-Mission men at logistic team

-Careful staff at accounting and finance team
